Yes they canceled #40501. Use #40519. They did the add to sked before checks were sent out, so they were able to just cut a new one.

Hey Alexandra,  
V1 for this order was for \$3000g. We received check copy # 40501 for \$3000g, balance paid in full. Then you sent V3 today adding \$600g to the order and we received the actual check today also. The check received was not the copy we got yesterday. This check is #40519 for \$3600g. So, my question is, did they cancel check #40501 and we are now supposed to use # 40519? Please advise as I need to communicate what's happening with finance.

Thanks,  
Trae
